

Imaging On Call Named to 2010 Inc. 5000 for Third Consecutive Year

Poughkeepsie, NY – August 25, 2010 – [Imaging On Call](#), a full service teleradiology provider, has been appointed to the prominent Inc. 5000 list of companies that demonstrates continuous growth, for the third consecutive year.

“Being named once again on the Inc. 5000 list of fastest growing companies is a tremendous privilege,” said Michael Lampron, CEO of Imaging On Call. “With the emergence of new teleradiology companies on a consistent basis and with IOC being the only teleradiology company on the list, it solidifies our position as an industry leader with a strong focus on enhancing our growth.”

As the teleradiology industry keeps changing, Imaging On Call continues to introduce new service offerings, including the recent expansion into [daytime teleradiology services](#). “Since our inception in 2002, Imaging On Call has always looked to enhance our customer’s experience by providing additional [services](#) that coincide with our core values,” continued Lampron.

The list is a well-known honor for companies that maintain consistent growth in revenue and Inc. Magazine ranks organizations by overall growth over a three-year period, from 2006 through 2009. To be eligible for selection, companies must also be based in the United States and privately held.
