IMAGING ON CALL SIGNS CONTRACT WITH  
PARKER ADVENTIST HOSPITAL OF COLORADO

*Industry leader in quality patient care to provide preliminary teleradiology reads to  
Parker Adventist Hospital*

Poughkeepsie, NY – October 28, 2008 – IMAGING ON CALL is pleased to announce that it has initiated teleradiology service at Parker Adventist Hospital in Parker, CO as part of its expanding customer base among U.S. hospitals.

“We are happy to be working with Parker Adventist Hospital and look forward to building a strong working relationship with them.” said Imaging On Call’s CEO, Brian Phelan. “Our physicians want to become an extension of our customer’s staff by providing the same type of quality service as if they were located in the hospital”.

Parker Adventist Hospital, located in Southeast Denver, is IOC’s first client in the state of Colorado. IOC is currently providing preliminary reports for Parker Hospital and welcomes the opportunity to speak with other Colorado hospitals and imaging centers about quality teleradiology services.

**About Imaging On Call**

Imaging On Call ([www.imagingoncall.net](http://www.imagingoncall.net)) is a U.S. based, Joint Commission accredited, full service Teleradiology provider. Service packages are flexible including preliminary or final reads, subspecialty reads, vacation coverage, post processing and interpretation for Coronary CTA, interpretation for Breast MRI and stroke protocol. Our Board certified, fellowship trained radiologists are skilled in all imaging modalities and have subspecialty training in all areas.
